Senior Library After Hours Policy

Students from Years 7-12 have access to the Library after hours (3.15 – 5.00pm).

Any Middle/Senior Students who are still on campus and have not been collected by 3.40pm are escorted to the Library for supervision until their parent/guardian arrives. These students need to adhere to the Senior Library guidelines outlined below.

The Senior Library seeks to provide students with the resources and environment to research assignments, attend to homework or undertake individual study after school hours. Users of the service are expected at all times to exhibit behaviour which allows others to achieve their study goals. Students whose behaviour prevents others from studying will not be allowed to use the Library outside of class time.

Monday, Tuesday and Wednesdays between the hours of 3.15pm and 5.00pm there will be a Research Facilitator available to provide study assistance.

Thursday and Friday afternoons at the above times there will be Library staff available to provide assistance where required.

It is stressed that this out of school hours library service is only available to students who behave appropriately and utilise time effectively. If this is not possible parents will need to make alternative arrangements.

Whilst under the supervision of library staff mobile phone usage within the Senior Library is subject to the Middle/Senior School Acceptable Use of Mobile Phones Agreement.

If you need to contact the Cecile Ryan Centre after hours the direct phone number is 5568 5906.
